## SERVICES & FEES

Having worked in the non-profit sector for most of my career, I understand the lack of adequate resources to address issues as an individual or in your organization. All of my services and fees are negotiable and adaptable to your needs. Contact me today to discuss your project and we can brainstorm together how we move forward.

### Project Management

Got an idea you want to explore, are you looking for new project ideas to support your work, or do you have a current or future project you need help implementing? Look no further, I have extensive experience in museums, non-profits, and informal education; serving audiences of all ages and interests in many different capacities. From floor demonstrations to theater programs and community-based initiatives, I've been intimately involved in the creation of programming to support audiences of all ages and abilities. ### Professional Development/Public Speaking

Looking for an engaging and entertaining way to offer professional development activities for your staff, volunteers, and/or constituents? Working with your goals in close consideration, I can create and implement workshops and/or activities to effectively communicate your goals to your audience. [Contact me today to begin creating your exciting workshop now!](#)

Need an engaging and effective communicator to connect with your audience for your next event, workshop, or training? Look no further, with more than 20 years in informal education and presenting information to groups of varying sizes and age groups, I might be just the person you're looking to book for your next meeting, training, or workshop. ### Ala-Carte Consultation

My services can be tailored to your individual and/or organizational needs. Consultation services available by contract or "Memo of Understanding" (MOU) on a project-by-project basis.

Hourly Consultation Rate: \$75/hour.

### Education Advocacy

Having a difficult time deciding between public and private school? Confused about the educational services, programs, and/or options available to your child? With over 20+ years working with educational institutions of all levels, both public and private, let me serve as your family's education advocate.

Hourly Consultation Rate: \$25/hour
